April mantra:

*i am grounded, i am centered, and i am one with
natural world that surrounds me.*

if you wish to know the divine, feel the wind on your face and the warm sun on your hand. © Buddha

I dedicate the month of April to the following deities/divine energies:

I will honor these divine beings by:

My intention for this month is:

Here are three ways I plan to take action toward this goal:

1.

2.

3.

be like a tree. stay grounded, keep growing and know when to let go. © Joanne Raptis

not just beautiful, though – the stars are like the trees in the forest, alive and breathing. and they're watching me. © Haruki Murakami

When I meet this goal, I will feel:

This will change my life in this way:

notable dates & energies:

April 7th *venus conjunct saturn in pisces:*

The union of Venus and Saturn in Pisces brings a serious tone to relationships and financial matters. It's a time to assess commitments, establish boundaries, and make long-term plans in love and money.

April 13th *full moon in libra:*

The Full Moon in Libra emphasizes balance, partnerships, and harmony. This lunation sheds light on relationship dynamics, urging resolution of conflicts and fostering equitable connections.

April 13th *venus stations direct in pisces:*

After a period of retrograde motion, Venus turns direct in Pisces, easing tensions in relationships and financial matters. Clarity returns, allowing for forward movement in love and creative projects.

April 16th *mercury enters aries:*

Mercury moves into the assertive sign of Aries, enhancing direct communication and quick decision-making. This transit favors initiating new projects and expressing ideas with confidence.

April 18th *mars enters leo:*

Mars enters the bold sign of Leo, igniting passion, creativity, and a desire for recognition. This energy supports taking courageous actions and pursuing personal ambitions with enthusiasm.

April 19th *sun enters taurus:*

The Sun's ingress into Taurus brings a focus on stability, sensuality, and material security. It's a period to appreciate the finer things in life and cultivate patience in achieving goals.

April 25th *venus conjunct saturn in pisces:*

Venus meets Saturn once more in Pisces, prompting a realistic evaluation of relationships and finances. Commitments made now are likely to be enduring and require a mature approach.

April 27th *new moon in taurus:*

The New Moon in Taurus offers an opportunity to set intentions related to security, prosperity, and personal values. Plant seeds for long-term growth and focus on building a solid foundation in various aspects of life.

journaling prompts for march:

- I am most happy when I do this every day...
- I feel the most beautiful when I am
- In my wildest imagination, this is what I am spending my day doing...
- Write a letter to Gaia, Mother Earth.
What would you say to her?
